Booking channels

Where do you want your online booking flow to live? Your Square booking flow can be used to power multiple different channels across the web.

- Square Online website

Get a free, fully-customizable Square Online website with your booking flow embedded.

Preview & edit
- Add your booking flow to an existing site

If you already have a website that you want to continue using - you can add your booking flow via button or embedded frame.

Get Started
- Instagram

Allow customers to book with you by adding a 'Book' button to your Instagram business profile.

Get Started
- Reserve with Google

Let customers find and book with you through Google Search, Maps and the Reserve with Google site.
