Part 1

Read three notices about elderly care.

Answer questions 1 to 4 based on the notices about elderly care (A to C).

Which centre

1. takes in old folks for few hours? _____
2. provides healing treatment? _____
3. does not charge the elderly? _____
4. spends time with the elderly? _____

A. Winking Home Care

Do you need home service to care for your senior loved ones? Do your loved ones require medical care or specialised medical assistance? Winking Home Care provides the services of nurses, caregivers and medically trained professionals on part-time basis at reasonable pricing.

B. Cheers Day Care Centre

Cheers offers a respite for caregivers who need to take a break from caregiving duties. Cheers provides the care services from as short as one hour up to maximum of 10 hours. Charges are reasonable which include simple healthy meals and a health check. Transportation is provided upon request.

C. Hope Home

Hope Home provides shelter and support to abandoned and homeless old folks for free. The volunteers take care of the elderly and keep them company. Through this seniors' home, the destitute can have a place where they can call home.

Dear Block B Duri Apartment residents,

Of late, our committee has received many complaints regarding our apartment block. It seems that the surroundings of our block has become an eyesore. Garbage has been strewn in every corner of the block. Unwanted waste can be found along the corridors of each level and along the stairways, too.

Our committee would like to propose a few recommendations to make our block a more pleasant place to live. We hope that all the residents will cooperate in giving a helping hand during the *gotong-royong* on 16 August. Let's not only keep our compound clean but also other parts of our block. We should not just rely on the maintenance team. We should set a good example for the young to emulate.

Besides, we also hope that the residents would start separating their garbage effective immediately. Hence, we have organised a recycling campaign by placing recycling bins for paper, cans and plastics near the elevator of every level of Block B.
