HEALTHCARE CONSULTATIONS

We provide a range of healthcare services and products for people needing assistance. Our trained professionals make sure that all of our customers and clients get the right product they need. Our consultants and nurses can work with you and your physician to ensure you understand how to use your equipment and medication.

Did you know...

1.4 BILLION POUNDS OF TRASH
enters the ocean each year.

Oil spills, toxic wastes, floating plastic and various other factors have all contributed to the pollution of the ocean.

YOGA CLASSES

STRENGTH TRAINING
Yoga's focus on strength training and flexibility is an incredible benefit to your body. The postures are meant to strengthen your body from the inside out!

FLEXIBILITY BENEFITS
Another one of the benefits of yoga is that stretching and holding postures also causes muscles to lengthen, which gives the body a longer, leaner look.

POWER YOGA
Breathing, posing, moving, and increasing flexibility happen together at one time, which unearths a new level of discipline in your mind and body.

JOB FAIR

9 - 12 OCTOBER 2017
NATIONAL JOB FAIR EXPO

We invite all employment and career resource centres, community centres, public service organizations and educational facilities from the Greater Toronto Area and outlying regions to post the official poster of The National Job Fair & Training Expo at their location and to distribute the poster to their clients, their students or their members. Thank you in advance for your kind and valuable collaboration.

PowerYoga

MEDITATION IN THE PARK

Yoga is a group of physical, mental, and spiritual practices or disciplines which originated in ancient India. There is a broad variety of yoga schools, practices, and goals in Hinduism, Buddhism, and Jainism. Among the most well-known types of yoga are Hatha yoga and Raja yoga.
