

Humans can have blue, brown or green eyes, but rockhopper penguins have very unique red eyes. What color are your eyes?

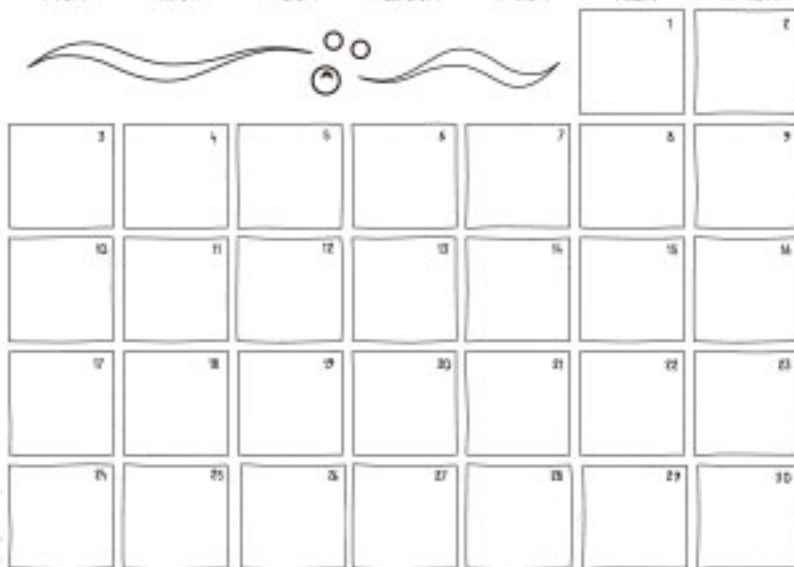

PENGUINS ARE
A-MAZE-ING!

ROCKHOPPER PENGUIN

JUNE 2018

SUNDAY MONDAY TUESDAY WEDNESDAY THURSDAY FRIDAY SATURDAY

The species name of the southern rockhopper penguin is *chrysolome*, which means "golden haired." And no wonder they have golden feathers above their eyes!

What's your favorite food? Rockhopper penguins eat a mix of fish, squid and krill. Yum!
