## DBT DIARY CARD / DBT SKILLS TRACKER

In DBT there are 3 categories of targets: life-threatening behavior, therapy-interfering behavior, and quality-of-life-interfering behavior. These behaviors stop you from progressing in your life.

In the **urge** column, rate in scale of 0-5. For the **action** column, mark an X if you acted on that behavior. For the **emotions** column, rate from 0-5 depending on the intensity of your feelings.
