

A calendar for the month of July. The word "july" is written in a large, black, cursive font at the top center. The background is white with scattered confetti in the shape of red diamonds, green circles, and grey triangles. Below the title is a calendar grid with seven columns for the days of the week and five rows for the weeks. The days of the week are written in a cursive font at the top of each column. The dates are written in a small, black, sans-serif font in the bottom-left corner of each cell. The grid starts on Wednesday, July 1st, and ends on Saturday, July 31st. The 31st is the last date in the grid, and the 30th is the last date in the row before it.
