heading 1 : Keep margins to the left

Then you can add all of your notes in this way to the left of the paper

- You will be left with a lot of space to the right, but do not worry, use that side for images and diagrams!
- Lorem ipsum dolor sit amet, consectetur adipiscing elit, sed do eiusmod tempor incididunt ut labore et dolore magna aliqua.

heading 2: use tables within tables

Add what you need within these tables

Alter the formatting and color as you like

The change the border to white!

Use tables to create a Cornell note look within the section

add your headings and notes to this side

01. I like to use this style of numbers
02. It makes it look very uniform
03. And aesthetic!

if you are going to use cornell notes, then make sure you have more than one heading!

- And use bullet points for words
- And other things!

heading 3: keep your headings consistent
