# What Comes From Rocks?

Rocks are made up of minerals. Many things that people use are made from the minerals in rocks.

Look at the object in each picture. If it is a mineral product, color it orange. If it is a plant product, color it purple.

 <p>metal spoon</p>	 <p>apple</p>	 <p>aluminum foil</p>
 <p>soda can</p>	 <p>penny</p>	 <p>wooden chair</p>
 <p>coloring book</p>	 <p>drinking glass</p>	 <p>gold jewelry</p>
 <p>scissors</p>	 <p>cotton shirt</p>	 <p>china teapot</p>
