

There is no  
elevator to success.  
You have to  
take the stairs.

November 2018

Goal for the month:

| Sunday           | Monday                   | Tuesday      | Wednesday | Thursday     | Friday | Saturday |
|------------------|--------------------------|--------------|-----------|--------------|--------|----------|
|                  |                          |              |           | 1            | 2      | 3        |
| 4                | 5                        | 6            | 7         | 8            | 9      | 10       |
| Daylight Savings |                          | Election Day |           |              |        |          |
| 11               | 12                       | 13           | 14        | 15           | 16     | 17       |
| Veteran's Day    | Veteran's Day (observed) |              |           |              |        |          |
| 18               | 19                       | 20           | 21        | 22           | 23     | 24       |
|                  |                          |              |           | Thanksgiving |        |          |
| 25               | 26                       | 27           | 28        | 29           | 30     |          |
