

**Weekly Class/Study/Life Calendar – fill in blocks of time with your class and clinical schedule (N10, N10L, N900, N36, N17, and any other Nursing Program courses or graduation requirements that you are taking.)**

Number of hours in class or clinical \_\_\_\_\_ X 2 = \_\_\_\_\_, Now block out this number of hours for study time.

This the minimum recommended study time needed to achieve average performance in the nursing program.

|         | Monday | Tuesday | Wednesday | Thursday | Friday | Saturday | Sunday |
|---------|--------|---------|-----------|----------|--------|----------|--------|
| 7 am    |        |         |           |          |        |          |        |
| 8 am    |        |         |           |          |        |          |        |
| 9 am    |        |         |           |          |        |          |        |
| 10 am   |        |         |           |          |        |          |        |
| 11 am   |        |         |           |          |        |          |        |
| 12 noon |        |         |           |          |        |          |        |
| 1 pm    |        |         |           |          |        |          |        |
| 2 pm    |        |         |           |          |        |          |        |
| 3 pm    |        |         |           |          |        |          |        |
| 4 pm    |        |         |           |          |        |          |        |
| 5 pm    |        |         |           |          |        |          |        |
| 6 pm    |        |         |           |          |        |          |        |
| 7 pm    |        |         |           |          |        |          |        |
