

Weekly & Monthly Reading Logs

The image displays a collection of reading logs designed for a child's use throughout the year. At the top, there are two monthly logs: one for January and one for December. Below these are several weekly logs, some of which are overlapping. Each log has a header section for the month or week, followed by a table with columns for 'Date', 'Title', 'Minutes Read', and 'Parent Signature'. A cartoon illustration of a young boy with brown hair, wearing a red shirt and blue pants, is shown reading a red book in the bottom right corner. The text 'Reading Logs for the entire year' is written in large, bold, black letters across the bottom of the image.
