

Interactive Zoom

Activities for Classroom Sessions

Find something related to your lessons around the house; examples: shapes

Show your pet or a special stuffy

What is your favorite snack right now?

What book are you reading right now?

Put on something that makes you feel great

What is your favorite game right now?

Find an Easter egg and put something in it, shake it, give 3 clues then let kids guess what it is. The next day they can bring their own egg to the zoom meeting with their 3 clues written out, and have the other students guess.

Home Scavenger Hunts: I have used them from [this](#) or [this](#) for my younger kids

Build a tower challenge. Challenge participants to create a tower of anything they can find, plastic cups, markers, legos, magnetic tiles, ect. Set a time limit.

Dance Party Ending
End your skype session with music and ask everyone to give you their best dance move

Tell a Joke: Each person comes up with a clean joke and shares with the class

Try a Kahoot with your class while on Zoom
