

# WHADDA YEAR! HAPPY HOLIDAYS!

1980

News: We have moved to another slightly larger home closer to my office in town; please note new address: 1538 Leonard Ave., Santa Rosa, Ca, 95405. [Same Phone#: (707) 526-3383]

A little grey kitten adopted us this fall, which has helped us with the loss of Miffie: How important a cat can be! It has been a lovely year. I've started up my practice and do part-time clinic work. There's been lots of singing, dancing, reading, walking, playing, loving - and many lessons, growth in a variety of ways -

Hoping you'll have a loveley Season & keep in touch  
Warmly Adam & Ali Blatner

P.S. other recent events:  
1) we acquired a second kitty to be Poom's playmate + named her "Buns"  
2) Ali's parents will be moving out here from San Antonio Texas soon.
