Form 2290 Online Filing For Free

How to e-file Form 2290?

e-Filing service providers makes filing 2290 and IRS HVUT payments smoother for trucks, trucking businesses and owner operators. Any vehicle that weighs 55,000 pounds or more on the weight scale is considered to be a [taxable vehicle](#). The IRS 2290 instructions state that you need to file your form 2290 if you use this heavy vehicle for 5,000 miles or above.

You can do form 2290 online filing easily by logging on to any e-filing service provider authorised by the IRS. The IRS only allows websites that meet high standards to become an authorized e-filing service provider.
