

# Candy Land

## Directions

1. Set up the Candy Land game board and pawns.
2. Turn all cards face down and place in a stack or in the game box.
3. On your turn, select one card.
4. Say the letters (or letter sounds).
5. Move your pawn to the space that matches the color on the card you drew. If your card has two squares, you will move two spaces.
6. If you draw a candy card, move to the corresponding space on the game board.
7. Play continues until one player reaches the candy castle.
