

Materials:

- A4 size or Legal Size Paper
- Printer (for printing this page)
- Glue
- Rolled Paper (firm) or Bamboo stick (pointed end to be cut (for safety purposes)
- Printer (for printing this page)

Instructions on how to make this back-to-back Philippine flag.

1. Print this page.
2. Cut out both flags (together with the broken lines) and paste back-to-back.
3. Broken lines will serve as guide for pasting and rolling together with a stick.
