

Each

Refers to an individual person or thing.

For example:

- **Each** student in the class took turns to read.
- **Each** person received an invite to the dinner party.
- I wore gold earrings on **each** ear.

Every

Refers to a group of people or things that are considered as one.

For example:

- **Every** teacher had to attend the training day.
- **Every** apple in the bowl is ripe.
- **Every** member of the team received a medal.
