JOSH G.

Josh was once on a date seeing the movie *It* and got so scared he bit his date by accident. Interesting. He thinks his best physical attributes are his legs from skiing and his eyes from his mom. Warning! He's allergic to avocados, which he says distresses friends. Why? We didn't ask. He does yoga and is very realistic about his imperfections. Well, Josh, we think you're perfect just as you are: nice.

MATTHEW

Matthew can sing, kickbox, cook, and knows a lot about cartoons—is that a good combo or what? He'd consider himself 50% nerd and 50% athlete. We say he's 100% nice guy. He likes beer in a "non-binge" way. Oh, live a little, Matthew. He's looking for a girl with nifty taste, fierce intelligence, biting wit, and athleticism who can calm him down when he gets neurotic. Wow... is Ms. Perfect out there?
