

# DAMIAN

Damian works in operations for an internet provider and describes himself as a mix of "pretty and hipster." Now THAT'S an evolved guy! He gave up on sports when he got hit in the face with a soccer ball as a kid. Ouch! His secret to picking himself up when he's down is listening to Celine Dion. Now what guy has the gumption to admit that?! You wanted a nice Jewish guy . . . you got one!
