

DECISION MAKING 101

Four things to keep in mind when making an important decision

1

CONSIDER

What would the best version of you do? What would you do if you didn't have self-doubt or fear?

2

GATHER

It's hard to make a decision without enough information. Gather data about the dilemma, problem, or decision. Weigh the pros and cons.

3

SEEK

Seek advice from a wise person who knows something about the issue. Seek God's will in prayer.

4

MOVE

Make some small movement toward a decision. Take a small step. Test out the advice you received. This step may provide some clarity.
