13	700	9,650	<input type="checkbox"/>	26		20,000	<input type="checkbox"/>

How It Works
For 26 weeks (6 months), you will deposit the amount in the deposit column for that specific week, into a savings account or an envelope for cash and mark it done. The balance is already calculated for you, so you can see exactly how much you have saved after depositing \$\$ each week.

Your end goal at week 26
