ENGLISH / LANGUAGE / ESL

This workbook contains 30 speaking practice tests
to help you prepare for CELPIP.

5. Your partner wants your opinion regarding a guitar he's considering as a gift for his/her eight year old nephew.
Persuade your partner that your choice is the best.

Speak for 60 seconds

6. You have been asked to check the lost and found at work for a red jacket that one of your customer's left behind.
Call your customer and provide her with a full and clear description of the three jackets you have found. Ask her if any of them sound like hers. Make arrangements to reunite her with her jacket.

Speak for 60 seconds

Angela Hobbs has been teaching English as a second language and preparing students for CELPIP, IELTS, TOCFL since 2005. The One-a-Day series has been developed to help students review and practice their language skills. It includes:

- Review and Practice your Basic Sentences
- Review and Practice your Perfect Tenses
- Review and Practice your Articles & Pronouns
- Develop your Writing Skills: Read, Remember, Copy & Correct
