2210 A.D.

FRONTLINE

EXPANSION
REQUIRES CORE
GAME TO PLAY

New developments are happening quickly that will change the face of battle. The battlefield has moved from Earth to a newly terraformed Mars! Technology is redefining warfare as each side races to gain an advantage. Faction lines are being drawn to further entrench the sides against each other. And just when we thought it couldn't get worse... giant amoebas enter the fray!

Risk 2210 A.D.™ Frontline includes four modules, each adding unique gameplay elements that explore these new developments.
