

A watercolor-style calendar for the month of August. The word "August" is written in a large, elegant, dark green cursive font across the top. Above it is a green leafy branch, and below it is a white leafy branch. The background features soft watercolor washes in shades of green and yellow. The calendar grid is positioned below the word, with days of the week and dates in a matching cursive font. The numbers 1 through 31 are arranged in a grid, with some numbers in green and others in brown. The overall aesthetic is artistic and naturalistic.

August
