

The diagram illustrates the relationship between different paper sizes. At the top left, a rectangular sheet of paper is shown, labeled 'A4' and 'Folded once'. To its right is another rectangular sheet labeled 'A5'. A large bracket spans the width of both the A4 and A5 sheets. Below this bracket is a 3D representation of a C5 envelope, which is shown as a rectangular box with a visible top flap. The text 'C5', 'Envelope', and '229x162' is centered on the front face of the envelope.
