

## POLICY MEMORANDUM

---

**Date:** August 01, 2030

**From:** Kayleigh Harvey

**To:** Molly Perry

**Subject:** Food Service Policy

The Public Health Agency is required to screen and assess applications regarding meal benefits for children in public schools. A list of applications should be verified and provided for the entitlement of such meals by September 01, 2030.

The verification process for all school sites should be completed within a month. The policy website should also be accessible and updated accordingly.

Thank you.
