

Teacher Centered VS: Student Centered

Teacher centered learning environments can include:

- Lecture style
- Teacher deciding on instructional goals
- Students follow specific guidelines
- Exam given mostly follow multiple choice style format

Student centered learning environments can include:

- Students responsible for their own learning
- Independent work
- Incorporate personal questions
- Solve authentic problems
- Differentiated learning environment

Teacher-centred Learning	Student-centred Learning
Low level of student choice	High level of student choice
Student passive	Student active
Power is primarily with teacher	Power primarily with the student
