

A Halloween-themed calendar graphic with an orange background. At the top center is a large, light gray full moon with several smaller gray circles representing craters. The text "Halloween Countdown" is written in a black, handwritten-style font across the middle of the moon. Several black bat silhouettes are scattered around the moon. Below the moon is a calendar grid with seven columns labeled "Sun", "Mon", "Tue", "Wed", "Thu", "Fri", and "Sat" in a handwritten font. The grid contains numbers 01 through 31 in a similar handwritten font. The background also features black silhouettes of bare trees and a jagged black line at the bottom representing a horizon or ground. A small white lightning bolt is at the bottom center.
