

A top-down view of a white cup of coffee with a heart-shaped latte art design on a white saucer, set against a teal background. The coffee is a rich brown color with a thick layer of foam on top. The latte art is a white, heart-shaped design with wavy lines. The cup is on a white saucer, and the entire set is on a teal surface. The lighting is bright, creating a soft shadow of the cup and saucer on the teal surface.
