

# Math Assessment: 4th Grade

Time Allowed: 60 minutes. No calculators allowed.

Name: \_\_\_\_\_

## Operations and Algebraic Thinking

I sat next to: \_\_\_\_\_

3OAA1

There are \_\_\_\_ groups of \_\_\_\_ strawberries. There are \_\_\_\_ strawberries in total.

Q2. Draw three groups of eight strawberries. Write a multiplication table to show the answer.

3OAA2

Q3. Split the strawberries into eight equal groups.

Write this as a division problem.  $32 \div \underline{\hspace{1cm}} = \underline{\hspace{1cm}}$

Q4. Draw 18 strawberries and split them into three equal groups. How many are in each group? \_\_\_\_

3OAA3

Q5. There are 16 strawberries shared equally amongst four people. How many strawberries does each person get? Draw a picture to show your workings.

Q6. There are nine strawberries in each punnet. How many strawberries would be in five punnets? Draw a picture to show your workings.
