

A colorful, hand-drawn style weekly planner template. The background is a mix of yellow, light green, and light blue with abstract watercolor-like splashes. At the top center, the words "WEEKLY PLANNER" are written in a large, bold, teal font. Below the title, the days of the week are listed from left to right: Monday, Tuesday, Wednesday, Thursday, Friday, Saturday, and Sunday. Each day is followed by a tall, empty rectangular box with a thin teal border, intended for daily planning. The page is decorated with various school-related icons: a green paperclip in the top right, a green pencil in the bottom left, a green spiral notebook in the bottom right, and a green binder ring on the left edge. There are also several green dots and splatters scattered throughout the design.
