

A group of extraordinary women, members of a very ordinary Yorkshire WI, persuade one another to pose for a charity calendar with a difference - no more photos of Wharfedale bridges or Norman churches for them. Overcoming their initial reserve, the friends drop their dressing gowns, their modesty spared only by artfully placed cakes, knitting and flower arrangements.

Puzzling their husbands, mortifying their children and riding the wrath of the outraged WI, they spark a global phenomenon. But as media interest snowballs, the Calendar Girls find themselves exposed in ways they'd never expected, revealing more than they'd ever planned. A very English story with a very English heart, Calendar Girls is quicky, poignant and hilarious.

"Dazzlingly funny, shamelessly sentimental and utterly captivating" — Lloyd Evans, *Spectator*

"...raucous fun...well worth a date in your calendar." Patrick Marmion, *Daily Mail*
