Observation

Claims and Evidence

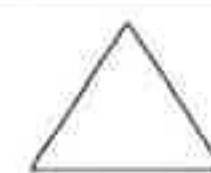

You will make an *investigation* entry when you are recording experiments, sketching, observing, etc. You may include all or some of the Sections for Investigation, and the order of these is flexible.

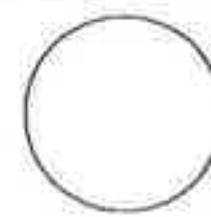

Observation vs Inference

Diali B-R

9/12/13

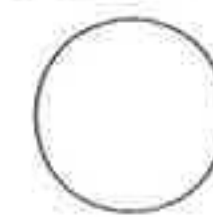

You will make a *notes* entry when you are taking notes.

Observation Reflection

Kira M

9/20/13

You will make a *reflection* entry when you are reflecting about your learning. Generally, you will be given a prompt or questions to respond to.
