

It isn't Easy Being

so in love with you and not being able to see you every day. There are times when I'd give anything just to be able to gaze into your eyes or hold you in my arms, even for a few minutes. I always feel incomplete, like a part of me is missing, when we're not together. I know that right now this is how things have to be, but that doesn't make it any easier to bear. Every day without you reminds me of the joy you add to my life, joy that I'm missing. So don't forget that I love you, that I'm thinking of you, and that I'm counting every minute until we're together again.
