

# lovable antics and attitude to spare

**curiosity and charm** It's catnip for the cat lover—a year of full-color portraits capturing that unique feline elegance, beauty, and independent spirit. A pair of Persian kittens luxuriating in a pink armchair. A confident tabby plowing through the snow. And a curious cat watching from a window perch. Each image features a delightful caption or quote.

**unprecedented quality** With its exceptional photography, coated paper, and exacting standards of color printing, this calendar is a gallery for your desk.
