Enter your TIN in the appropriate box. The TIN provided must match the name given on line 1 to avoid backup withholding. For 1043-SS, this is generally your Social Security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the instructions for Part 1, line 1. For other entities, it is your employer identification number (EIN). If you do not have an EIN, see how to get a TIN below.

NOTE: If the account is in more than one name, use the instructions for line 1. However, if all names and number printed the Registrar for purchase on whose number is after.
